# PAX A920 Pro Receipt Settings

worldpay from FIS

How can I change receipt settings?

1. Navigate to Payments from the home screen. Enter User ID & Password (Default is User ID: 1234, Password: 0000, but you may have changed this when first setting up your terminal).

2. Navigate to the settings menu which is the 3 lines in the top right of the Payments app and select app settings:

WORLDPAY FOR BUSINESS

3. The receipt settings can be changed as required by toggling on/off:
